renderer; the amendment gives him \$1,500]
Rejected, and the bill ordered to be read a
division of the Union vote mey be regarded, which should characterize the great Union and time at helf-pest nine o'clock to-mor- the Citizens' and Working men cau, with

tiuth, boast of having had no hand in it. 1 is pretty well understood now that Mr. Joshua R Brown was "neia Insted" by the friends of T. C. Pomeroy, the "Court-house Clique," for the purpose A hill to Incorporate the Eminence Sav. of electing the latter gentleman. It remains and to interpreted. Year 25, nays to be seen if the citizens of the Seventh a bill to amend the laws in relation to werd will be thwarted in their purposes of irenit Court clerks. Rejected.

A hill regulating the feee of examiners, schools, by a half dozen pleasant wire-Before any vote was taken the Speaker workers. The old habit of A, B and C manufaced the orders of the day.

The llouse then took up the resolutions secretary, and C the nominee, is about a fiered by Mr. Cleveland some days since, an end we hope. This was a very quiet an end we hope. This was a very quiet, sure, but it don't seem to suit the neople at

Sundry House bills amended in the Senate | John M Delph for a playful remark which were taken up, and the amendmente con- that gentleman made at a meeting in the amending the execution laws of Court-house on Tuesday evening. He said that the friends of Mr. Crawford should that the friends of Mr. Crawford should Mr. Buckner moved to lay the bill on the take him in charge, lest he should become able; adopted—yeas 38, nays 36.

A bill in relation to judgments and exsultions; laid on the table.

And then the House took a recess until didang—or something (9'that effect Now, From 1 to 4 o'clock, at 50 conts per person. valry between these gentlemen. or why a udice about so small a matter.

The race for t'ity Alterney new scems lie between Messrs Woodruff, Reasor, others, Mesers, like and Bacon having 'let down"-withdrawn. We have carefully avoided giving any expression of pre ference for any of the gentlemen named for that office ia this column, and inten I to connue the same silence. They are all clever gentlemen, and good lawyers we presum but we will say, we are opposed to Wilson ecause he is the nominec of a party gottions of the Uitizens and Working-men.

ten up to defeat the Union Recommen la There was an excellent meeting at the Hall of the Association of the Seveoth and Eighth wards last uight, at which a number of speeches were made. Rov. Mr. Osborne, pastor of the Jufferson-stree Baptist Church, was unanimously recomnended for School Trustee in the llighth ward. None better qualified could possibly have been selected.

Mr. Daniel McCulloch, of Portlan sour recommendation for School Trustee in the Ninth ward. A meeting is to be held in that ward to night to complete the ticket, which will ho the third one iu the ward. The citizens of the Nigth ward ecem divided in opinion.

MERTINGS THIS WEEK.
We hope our friends will not forget the egular succtings of the Ward Associations this week. All the friends of municipal reform-all the lovers of the Union, whether their names be enrolled on our books or not, are inrited to mert with us. Come and listen to what we have to say, and if we do not lalk and act right, couusel with us. We know that you will be convinced of the purity of our motives if you attend our etinge. The meetings this week are to be held as follows:

The Fifth and Sixth Wards club meets at he Police Court-room, on Thursday night. The Third and Fourth Wards club meet at Welman's hall, on Market stroat, above First, on Friday night.

The First and Second Wards club meets at their hall on Main street, near the corner

of Campbell, on Thursday night. A Correction -A paragraph appeared n the Working-men's column yesterday, stating that Mesers, W. A. liuskwall and H. 11. Buchanan, the "Union candidates for precipitation and the Cottonocracy, against the Union " Both gentlemen emphatically deny the allegation, and morcover, state that they are for the Union.

200 "Do you belong to this church, sir queried a goatleman to a friend who was one of the beavy men of the town whera the of the was visiting, and who seemed much interested in the church where they had just been attending. "No sir," replied the rich man, "quite the reverse, for the church belonger one"." clongs to me.'

.9:30 P. M

.....John R. P. Smith, clerk of the Jas. Tood, we learn, has fallen heir to a large often plantation in Mississippi.We learn from the Laporte Herald, that an association is about to be formed in that county with a view to draining the Kankakee marshes. It is the intention of the company to straighten the channel of the Kankakee river, and thereby increase the irrent of the river so that the marshes can current of the river so that the marshes can be effectually drained. The proposed improvement is said to be practicable, and certainly if the object can be accomplished a large amount of marsh land will he rectaimed, which will, in a few years, become the richest portion of the State. Should the channel of the river be straightened, we can see no reason why it would not be nav-igable for small boats. .. The B. J. Adams was due from New leans last night. ... A flag after the style of that of the Confederate States has been presented to the officers of the St. Lonis and New Or-leans packet Alonzo Child, which will float from the jackstaff of that boat.Fred Long. of New Boston, Illinois, was robbed of \$3,500 on Thursdey, while

The Spanish fleet is not to go to the Gulf until further orders from Madrid.

Washington, April 3—It is ascertained that the French consule in the Confederate States have received instructions direct from France, relative to the facilitation of the Southern trade with France.

Prominent persons here are satisfied that the movements of the English and French fleets are for the observation of Southern events. Capt. Ballard received a dispatch from Capt. Hight, of the Dasmoines. She will be up to-night and leave for Memphis this avening.

....River men who are in need of a first the peir of boots or shoes, at very low gures, should not fail to call on J. T. urtis. He does the best work for the rice of any shop in the city. He is on Water street, between Fourth and Bullitt, next to Mr. Parmele's boet store.The Florence, a new boat built at ittsburg, passed down for St. Louis yester-ay, with a very good trip, including about 10 tons of freight and about 30 cehin and 10

England -Mr. Fortesque explained in arliament, that the present convention beween England and France respecting the lewfoundland fisheries, only regulated the The Cincinnati Enquirer of youtarday Newfoundland fisheries, only regulated the machinery under existing etatutes, and as it did not affect the rights of Newfoundland, it would not be laid before that Legislature. Lord Woodhouse also explained the terms of the new convention with Mexico, by which certain customs and duties are appropriated to British bondholders. In the Honse of Commons, Lord John Russeli promised to produce the correspondence with the American Government relative to the fuglifive slave. Anders p. that the Lady Frankiin, bound up from Memphis, was partially disabled, usar Cairo, Monday morning, by the breaking of some of her machinery. She has \$50 bales of cotion and a fair pessenger trip.The arrivale of river steamers at New leans, for the week ending Friday noon, last, were seventy eight. avs the Sunday Delta thirty same from Lord W. Graham asked whether an ex-planation had been demanded from France, relative to the assistance randerel by the French Minister in the escape of Miramon from Maying. ports in the United States and forly six fram ports in the Confederate States Of the receipts of the week, Western produce, and corn especially, heads the column. Tobacco also shows very good figures, but cotton, angar, and mnlasses are declining in receipts. Hay and hides continue to come in pretty freely. As usual, we append our recapitulation of the receipts of leading strieles: frem Mexico.
Lord John Russell admitted that Miramon frem Mexico.
Lord John Russell admitted that Miramon had violated international law, but said, in advance of official dispetches, the French lovernment had not been replied to on the

inst., reduced (is rate of discount from six to five per cent.

In the Corps Legislatif Mr. Jules Fabre had moved his amendment to the address, requesting the withdrawal of the French troops from Rome. He strongly urged the would be impossible. The amendment was then rejected by 246 to 5. The entire address was finally agreed to by a vote of 213 to 13. So for from recalling the French troops from Earl. sing at that point. On Saturday night was 5% inches. The continued rain of was 5g inches. The continued rain of Sundey, if at all general throughout the valley, will tend to increase it largely. The present height of water in the channel, by the pier mark, at the bridge, at this place, indicates some twenty-two feet above ordi-narylow water flow. There must be a lerge So for trots recently reported in l'aris that 10,000 men were about to be sent out, nominally to reinforce the garrier amount of suffering and loss among those uhabiting the "bottom lands" of the Wa-

ounced. Rumor gives the lollowing com-ination: Cavour, President of the Counci on, was sent to the chain gang for fifty-hree days in Memphis on Sasurday, for triking a white man, the cook of the teamer Peytons. and Minister of Foreign Affairs and Marine, and Fante, Minister of War. London, Friday.— The funds exhibited dulness, but quotations were steady. In the discount market, there has been a good demand for money since the reduction of the bank minimum to 7 per cent. Gold continued to flow into the bank, and there were articipations of a further sections of the state.

.....The Commodore Perry left Memphis on Friday for Pittsburg with 1,300 bales of cottou. She took on a part of the trip of the Lady Jackson.

.....The Memphis Appeal of Sunday says:
On Friday night, when the Lady Franklin,
on her way from this city for Cincinnati,
under command of Capt. Eugene Bowers,
was at Devil's Elbow, thirty miles above
the city, at 11 o'clock at night, she broke
her T nead, knocked out both her cylinder
heads and the night head. No injury was anticipations of a further reduction of the minimum.
